Pay: TBD based on experience

### ***Job Description***

The Resolute Athletic Complex (RAC), central Ohio's premier indoor sports center, is seeking a part-time maintenance technician. The RAC is a 75,000 SF facility with three-indoor turf fields, weight room, training area as well as space for spectators and a full-service bar. Position will work on a variety of repairs and general maintenance in order to provide a professional, clean and safe environment for athletes and spectators. Work will involve a variety of projects including construction, drywall repair, painting, minor electrical work, minor plumbing, landscaping and miscellaneous general repairs.

### **Qualifications:**

**Education:** any combination of education and experience equivalent to graduation from high school or any combination of education, training, or experience that provides the required knowledge, skills and abilities. High school graduate preferred.

**Experience:** basic experience in maintenance trades, including electrical, plumbing, mechanical, painting and carpentry. No professional licenses required for position, but are preferred.

### **Knowledge, Skills and Abilities:**

- Basic knowledge of carpentry, painting, plumbing, landscaping and electrical.
- Ability to climb stairs, ladders, use a lift or scaffolding to work at heights up to 30 feet, often reaching overhead.
- Ability to use other mechanical equipment, such as forklifts, as needed.
- Good communication skills.
- Ability to push, pull, lift and/or otherwise move supplies, materials and equipment weighing up to 75 lbs or more.
- Ability to use power tools such as drills, saws and other equipment as needed.
- Ability to work without direct supervision.
- Ability to find solutions to job related challenges and to make recommendations for hiring professional service providers as needed.

Please submit application, resume and references to be considered for position.
